11th Biennial Conference of EPCA –  
European Personal Construct Association

## Raising Constructivist Voices: anticipating 21<sup>st</sup> century challenges

The 11th Conference of the  
European Personal Construct Association

At

Trinity College, Dublin, Ireland  
from Friday 29<sup>th</sup> June to Sunday 1<sup>st</sup> July 2012.

The aim of the conference is to create opportunities for everyone interested in constructivist psychology to raise their voices through the presentation of their work, exploring approaches, and discussing together experiences, ideas and practices.

We invite practitioners, students, researchers and academics to submit abstracts. It is our hope to create a lively ambience of conversational exchange in a variety of presentation formats, eg- workshops, academic papers, poster presentations, research reports, symposia and experiential papers/discussion. We are keen in this conference to offer a space where participants can “raise their voices” in exploring constructivist ideas which are exciting to them.

Please submit your abstracts by **31st January 2012 to [amdps@indigo.ie](mailto:amdps@indigo.ie)**. Receipt of abstract will be acknowledged by email. This will allow the committee the time to consider submissions and to plan the order of the conference presentations and events. Abstracts should not be longer than 150 words. A copy of the Abstract Form is available on the website or by contacting Ann Daly at [amdps@indigo.ie](mailto:amdps@indigo.ie). Telephone enquiries to: **Ann Daly at 00353 1 2722105**
